The Training CIEH Level 3 Award Schedule : Please Call Us

Training CIEH Risk Assessment Level 3 Award Content

General Introduction

To understand the main categories of accidents and ill health, the socio-economic costs and recognises the benefits of good Health management

Principles of Risk Assessment

To understand the reasons for using risk assessment and the principles involved.

Benefits for Companies in attending Training :

A properly implemented programme of risk assessments can assist in the prevention of injuries, fatalities, property damage incidents and other losses. This not only helps to prevent human loss and suffering, but also assists the effective management and finance of any business or organisation. Health and Safety at Work Regulations requires employers to record the significant findings of the risk assessment.

Learning Outcome

Conduct risk assessments (with the necessary technical knowledge in relation to the activities/ environments/issues)

Organise and implement a risk assessment programme

Participate in the identification of specific training needs for the activities being assessed

Assist employers in meeting legal requirements and promote improved standards of health and safety within their organisation
